

Standard Kegs

Built to the American standard, our kegs combine premium craftsmanship with high-grade austenitic stainless steel. Engineered for maximum durability and reliability, they provide a professional, sustainable solution for your beverage distribution.

Ideal for: Craft Beer | Cider | Coffee | Wine | Soft Drinks | Juice | Water

Focus on your passion, we'll take care of the steel.

Type	Capacity (L/GAL)	Ø D (IN)	Height (IN)	Weight (LB)	Stackable	Branding
